

WHEN
THE
WIND
BLOWS

Ian
Eric
Claudette

^h 12 ^m 30

useless umbrella

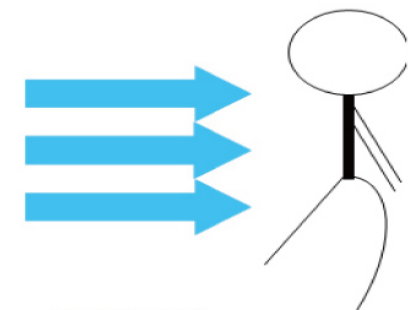

other places
of the world

NCTU, Hsin Tzu

^h 12 ^m 35

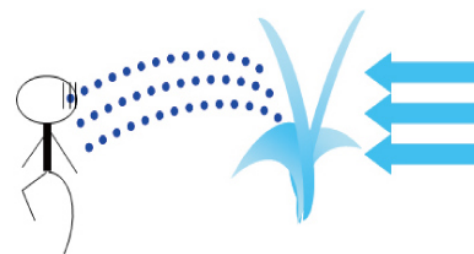

shambling in the
wind

PUSHED
(same direction)

^h 12 ^m 40

attacking by the
auto-sprinkler
system

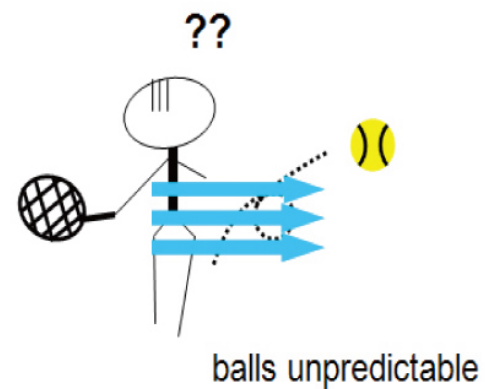

^h 15 ^m 26

break time, can't
light up outside
the class

h 18 m 56

air ball...

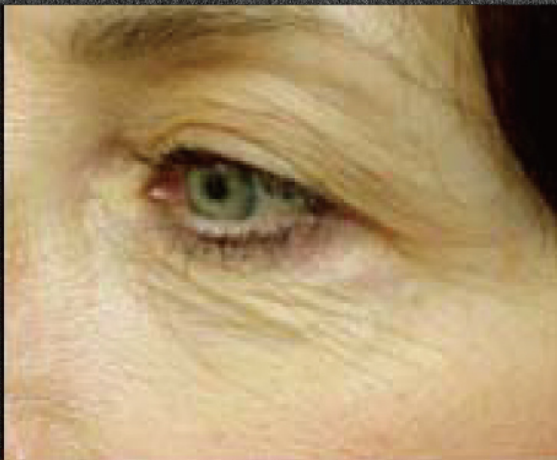

h 20 m 38

saw my
motorcycle went
down like ninepins

^h 21 ^m 03

after a long way
home, i got my
crow's feet, finally

1

What a f*** windy day, in
in NCTU

Hsin-Chu City

2

The Way The Wind Blows
in Hsin-Chu City

dust storm

cold snap

air pollution

typhoon

car accident

3

Holy Calamity, Scream Insanity

a greater view

Karasumi, rice vermicelli, dried persimmon

**Shang-Shan
Wetland**

crisp weather

people are crowded

it don't
mean a
thing if it
ain't got
that
swing

kiting

surfboarding

euphoric scent

trim and clean street

windsurfing

windmills

**Southern
Comfort: I Wait
for Wind 30 Days
in Room 305
by Rikuo Ueda**

**Animaris Percipiere
Primus
by Theo Jansen**

**Lightweeds
by Simon Heijdens**

**Wind Caravan
by Susumu Shingu**
